ANTHONY JOSEPH LANMAN

Release Date: June 1st, 2014

Terre Haute, IN June 1st, 2014

Indiana based composer and guitarist Anthony Joseph Lanman presents *Synesthesiac*, an album of new classical music. *Synesthesiac* presents music written and recorded over the last decade for a wide variety of instrumental combinations. The album is arranged with a mixtape mentality, and features Lanman's talents as composer and 8-string electric guitarist.

The album also features many talented performers, including Paul Bro of the Chicago Saxophone Quartet, Derek Johnson of the Bang on a Can All-Stars, Lukas Polak of the Skampa Quartet and Jihye Chang-Sung of the Arsenal Trio.

Synesthesiac is available at: CD Baby, Bandcamp, Amazon and iTunes. In August of 2014, *Synesthesiac* will be released on 12" vinyl and will be available at: anthonyjosephlanman.bandcamp.com.
